Dear Mike – it was great seeing you a few weeks ago, thanks again for meeting me in Culver City rather than at Southwestern. We have a wonderful new person working at the law school named Mark Thaler who is now serving as our Director of Special Projects. He is currently reviewing a number of developments around our BID area and as we chatted about them I immediately thought of you. It would be fantastic if you might have some time to meet with him so he could "pick your brain". I have cc'd Mark so he can reach out to you and also included your contact info below. I hope the two of you might have time next week or sometime after the first of the year to visit. Also, if for any reason you need me, I am planning to be on campus for a portion of the day on Monday, Dec. 18 and also most of the day on the 20th. Just in case I do not speak with you before, best wishes to you and your family for a wonderful holiday season and a very healthy and happy New Year! Deb

Thank you,
Michael Russell
